RISK FACTORS

There is no guarantee that Greenbacker Renewable Energy Company's ("Greenbacker's") investment strategy will be successful. Investment in a non-listed LLC like Greenbacker involves significant risks including but not limited to: no secondary market; limitation on liquidity, transfer and redemption of units; distributions made may not come from income, are not guaranteed and are subject to board discretion; investors may lose their entire investment; Greenbacker is dependent upon its advisor to select investments and conduct operations; and Greenbacker's advisor will face conflicts of interest. Greenbacker is not suitable for all investors. This investment relies, in part, on federal and state incentives currently in place to support the renewable energy industry. These incentives may be discontinued, reduced, or otherwise adversely modified in the future which may ultimately adversely affect investors' returns.

Greenbacker carries significant fees and charges that will have an impact on investment returns. Information provided by Greenbacker Capital Management, LLC.
