

Carter Validus Mission Critical REIT Acquires \$22.6 Million Specialty Hospital Property in Arkansas

(June 28th, 2013 - Tampa, FL) Carter Validus Mission Critical REIT, Inc. announced today that it has acquired the Physicians Specialty Hospital property, in Fayetteville, Arkansas for \$22,625,000.

This 20-bed, short-term acute care surgical hospital, measures approximately 55,740 square feet. The property was renovated in 2009, when it was converted into an in-patient specialty hospital. It benefits from a state-of-the-art design that includes four operating rooms, one procedure room, a full scale emergency department, and in-house diagnostic lab and radiology departments.

"Physicians Specialty Hospital is a highly regarded surgical hospital in Fayetteville. In 2012, the Hospital was given the Women's Choice Award for America's Best Hospitals for patient experience", says John Carter, CEO of Carter Validus Mission Critical REIT. "We are pleased to add a property of this caliber to our portfolio of mission critical assets."

John Carter, CEO of Carter Validus Mission Critical REIT stated, "We are thrilled to acquire another high quality healthcare asset to our growing portfolio of Mission Critical real estate investments."

About Carter Validus Mission Critical REIT, Inc.

Forward-Looking Statements

Certain statements contained herein, other than historical fact, may be considered forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (the "Securities Act"), and Section 21E of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). These statements are predicated on current assumptions regarding operational strategies, anticipated events and trends, the economy, and other future conditions. No forward-looking statement is intended to, nor shall it, serve as a guarantee of future performance. You can identify the forward-looking statements by the use of words such as "anticipate," "believe," "continue," "could," "estimate," "expect," "intend," "may," "outlook," "plan," "potential," "predict," "project," "seek," "should," "will" and other similar terms and phrases, including references to assumptions and forecasts of future results. Forward-looking statements are subject to various risks and uncertainties, including those described under the section entitled "Risk Factors" in the Company's most recent Annual Report on Form 10-K, filed with the Securities and Exchange Commission, and subsequent quarterly filings on Form 10-Q. These factors should not be construed as exhaustive and should be read in conjunction with the other cautionary statements that are included in the Company's filings with the SEC. The Company undertakes no obligation to publicly update or revise any forward-looking statement, whether as a result of new information, future events, or otherwise.
