

## **Greenbacker Renewable Energy Company Announces the Opening of the Portland Maine Office and a Solar Asset Purchase**

NEW YORK, Jan. 19, 2016 /PRNewswire/ -- Greenbacker Renewable Energy Company LLC (the "Company") announced today that it has opened an office in Portland Maine to service the expanding portfolio of alternative energy assets held by the Company throughout North America. With headquarters in New York, New York, the Company currently owns and operates approximately 38 Megawatts of solar generation assets in more than 150 locations in the United States and Canada as well as 10 Megawatts of wind power generation assets in Montana.

Coincident with the office opening, the Company is pleased to announce that Ms. Carol Lambert has joined the Company as a Vice President focusing on financial and asset management.

"We are extremely pleased to continue to expand outside of New York as well as to add new capabilities to our team," stated Charles Wheeler, CEO of Greenbacker. "We anticipate that our ongoing growth in professional staff to service and operate these assets will help maintain the Company's portfolio of high quality assets which produce steady and predictable returns for our investors."

The company also announced that it has acquired 721,828 Kilowatts of solar facilities located on 3 sites in the states of California and Massachusetts for \$250,000. The off-takers in California are Santa Cruz City Schools rated Aa2 and Petaluma City Schools of Sonoma County rated A2 while WGBH Educational Foundation, with a rating of Aaa, is located in Boston, MA.

### **About Greenbacker Renewable Energy Company LLC**

Greenbacker Renewable Energy Company is a publicly registered, non-traded limited liability company that expects to acquire a diversified portfolio of income-producing renewable energy power plants, energy efficiency projects and other sustainable investments.

### **RISK FACTORS**

**There is no guarantee that Greenbacker Renewable Energy Company's ("Greenbacker's") investment strategy will be successful. Investment in a non-listed LLC like Greenbacker involves significant risks including but not limited to: no secondary market; limitation on liquidity, transfer and redemption of units; distributions made may not come from income, are not guaranteed and are subject to board discretion; investors may lose their entire investment; Greenbacker is dependent upon its advisor to select investments and conduct operations; and Greenbacker's advisor will face conflicts of interest. Greenbacker is not suitable for all investors. This investment relies, in part, on federal and state incentives currently in place to support the renewable energy industry. These incentives may be discontinued, reduced, or otherwise adversely modified in the future which may ultimately adversely affect investors' returns.**

Greenbacker carries significant fees and charges that will have an impact on investment returns. Information provided by Greenbacker Capital Management, LLC. This is a speculative security and, as such, involves a high degree of risk. Investments are not bank guaranteed, not FDIC insured and may lose value or total value. **Securities offered through SC Distributors, LLC, an affiliated dealer manager and member of FINRA and SIPC.**
